continuum is the magazine of the University of Minnesota Libraries, published annually for a broad readership of Friends and supporters both on and off campus.

continuum supports the mission of the University Libraries and our community of students, faculty, staff, alumni, and friends by providing information that

- > highlights news, events, developments, and trends within the Libraries;
- > examines issues facing libraries globally
- > provides a forum for dialogue; and
- > connects the many constituencies of the Libraries.

continuum is available online at www.lib.umn.edu/continuum and in alternative formats upon request. Contact 612-625-9148 or welsh066@umn.edu
